For ShuleSoft to work effectively, we have developed few supporting applications to deliver service to users and schools.

01. ShuleSoft SMS gateway

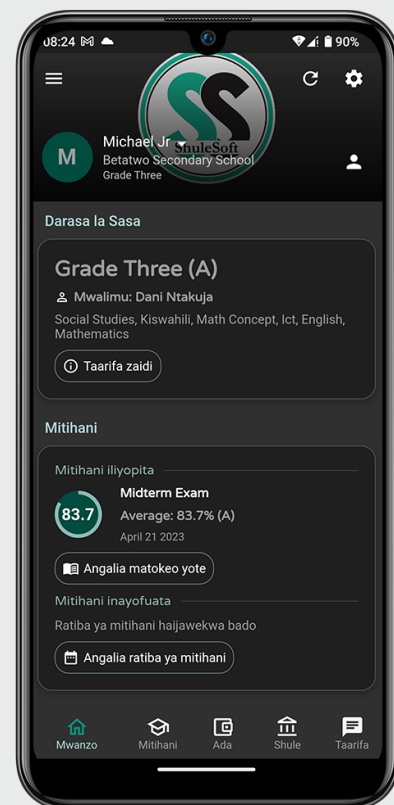

A free to use mobile application, that link school phone with ShuleSoft system to allow schools sending messages directly from ShuleSoft system, and the mobile phone will act as a gateway to push all message to respective user

02. ShuleSoft Parent Experience Application

The easy-to-use Mobile App is available on Both Android and IOS devices. The app is being used by parents from Multiple countries, including the USA, CHINA, INDIA, NIGERIA etc.

The app lets parents experience their student education at their hands

Experience Your Child's Education.

Attendance Module

Advanced attendance devices to manage school attendance and Transfer Data Directly to ShuleSoft Cloud Software automatically

Plug and Play Device Embedded with GSM Technology (built-in Sim Card Slot) hence no need for physical wiring, and easy installation without any technical person

Barcode Scanner
Support 1D, 2D barcode scanning

Support RFID

Fingerprint sensor
14.4mm*10.4mm imaging area
200*288 pixel array
500 DPI, 8 bits per pixel

175mm 78mm 27mm

Device features:

- Fingerprint sensor
- Support NFC, RFID, 13.56MHz smart card
- Use simcard to connect with internet
- Use Android OS
- Built-in stereo speaker to put alarm for negative response
- 4000mAh removable battery
- Front and back camera for facial recognition
- Barcode & QR code scanner
- 2GB RAM/ 16GB storage

How to Join ShuleSoft

ShuleSoft Onboarding Road map

01

Time: Few Minutes

Fill acceptance/agreement form
(if online, you will print, sign and send to us)

02

Time: 1 day if data are in Excel file

Account manager from ShuleSoft will be allocated to your school to assist you on system configuration
Data entry processes

03

Time: At Maximum 3 days

Training will be done to all staff members in your school, ready to start using ShuleSoft
